

BaseModel

```
graph BT; A[second_prompt.Confidence] --> B[BaseModel];
```

A diagram illustrating a class hierarchy. At the top is a white rectangular box with a thin gray border containing the text "BaseModel". Below it is a gray rectangular box with a thin black border containing the text "second_prompt.Confidence". A blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that "second_prompt.Confidence" inherits from or is a specialization of "BaseModel".

second_prompt.Confidence
